Re: The 14th World Cup International Martial Arts Championship

Dear Mr. Olmo,

Thank you very much for your interests in hosting the 14th World Cup International Martial Arts Championship in Vercelli, Italy in 2013.

After considering your request, the successful 10th World Cup hosted by you in Milan in 2005 and your dedication to the development of martial arts, International Martial Arts Federation decided to appoint you as the president of the Preparatory Committee of the 14th World Cup International Martial Arts Championship and host the event in Vercelli, Italy in 2013.

I would like to inform you that the 12th World Cup will be held in Incheon, South Korea and the host of 13th World Cup will be decided in 2009. I suggest you to participate in these two events to gain more experience for hosting the 14th World Cup.

Please feel free to contact us if you have any questions.

Sincerely yours,

Dr. Che Cheng Chiang
President
